

Sinaye Magxala

JUNIOR SOFTWARE DEVELOPER

 Cape Town  071 830 7109  magxalasinaye00-max@gmail.com

 github.com/magxalasinaye00-max

PROFESSIONAL SUMMARY

Results-driven junior software developer with hands-on experience through academic and personal projects building efficient, scalable full-stack web applications. Proficient in JavaScript, HTML5, CSS3, Node.js, Python, and Express.js. Skilled in developing full-stack applications, APIs, and data-driven solutions with a focus on clean code and problem-solving. Familiar with PostgreSQL, Git, and VS Code, and currently expanding knowledge in React, Docker, and AWS. Strong foundation in software development principles, collaborative teamwork, and continuous learning. Actively seeking entry-level opportunities to contribute technical expertise and grow within a professional environment.
